Summary of Proposed Bylaw Change

Intent is to have all proper documentation (meeting minutes and financials) sent to the central committee members with all their central committee meeting notices.

What Section(s) Does the Bylaws Change Involve?

- Section III - County Central Committee

Detailed Reason for Change(s)

For the last 3 executive boards, I have seen all factions in power not send proper documents (minutes and treasurer's report) with the meeting agenda notices. Arriving at meetings and having no time to review documents has resulted in our county tabling business till the next central committee meetings. By doing this it keeps those who cannot attend meetings in person unable to ever see any minutes or financials for our county or know what is going on. In the interest of total transparency, we need to have documents provided to all central committee members not just the ones that attend the in-person meetings. Certain entities, think that if it is not written in the bylaws, it is not required to do.

Proposed New or Revised Content
